

BENEFITS

SHOWERS WITH CAST ON

OPENCAST allows daily washing and showers with cast on. Water can be easily dried off with a towel and a hairdryer.

ODOR AND ITCH FREE

Perspiration is quickly evaporated to prevent itchiness and unwanted odor.

VISUAL CHECK

Doctors and patients can visually check the condition of the skin through windows while wearing the cast.

EASY FITTING AND REMOVAL

OPENCAST can be repeatedly opened and be worn when needed.

ATTRACTIVE APPEARANCE

OPENCAST is made of fine materials and has a stylish design.

EASY REMOVAL

OPENCAST can be easily and safely removed.
